

# Contribution Designations

The Historic Odessa Foundation is embarking on a Capital Campaign to raise \$3 million. Your gift will help us to achieve this goal and may be designated to any of the following areas:

## Unrestricted Endowment

This is the greatest need of the Foundation. Your gift is combined with others and is permanently invested for annual income as well as principal growth. The Board of Directors will determine the percentage of income to be spent each year; that yield will be available to the staff to supplement the general budget throughout the year.

**Goal: \$1,000,000**

---

## Endowment in Support of the Future Vision of Historic Odessa

The Historic Odessa strategic plan outlines new initiatives to better inform and educate the public. Examples include making collections available on-line, the interpretation of the original Tannery, creation of Walking Trails to encircle the property, and a renovation of the Barn as a venue for weddings and special events.

**Goal: \$1,000,000**

*Can be named with a gift of \$750,000*

---

## Endowments in Support of the Collection and its Preservation

Historic Odessa is first and foremost, an important historic site with real properties and a valuable collection of objects. It is essential to make sure both are properly cared for.

### CURATORIAL ENDOWMENT

Funds would support the cost of professionally trained curatorial/conservation care of the collection.

**Goal: \$500,000**

*Can be named with a gift of \$300,000*

### COLLECTIONS ENDOWMENT

Funds would support the protection and restoration of objects and would provide funds for extending the collection.

**Goal: \$500,000**

*Can be named with a gift of \$300,000*

*Other possible naming opportunities include walking trails, educational programs, the Barn, Smoke House, and Pump House. Please contact Deborah Buckson at: [debbie.buckson@historicodessa.org](mailto:debbie.buckson@historicodessa.org) more information.*
